

**Easter decorations**

You will need a printer, scissors, thread and glue

1 Print out the two templates twice.

2 Cut out all the shapes inside the black lines. Make the rabbit first.

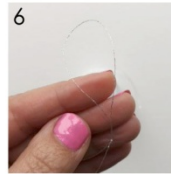

3 Fold each egg shape in half.

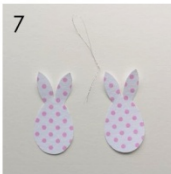

4 You should have ten folded shapes in total.

5 Cut some thread to hang the decoration.

6 Make a loop and tie a knot.

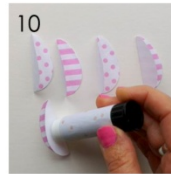

7 Stick the two head shapes together.

8 Glue the white side of the shape.

9 Place the thread in between the two shapes for hanging.

10 Glue one side of a stripy folded egg shape.

11 Stick the polka dot folded egg shape to the stripy folded egg shape.

12 Only glue five shapes together. Then repeat with the last five shapes.

You should have two 3D egg shapes.

Add glue to the back of the two egg shapes.

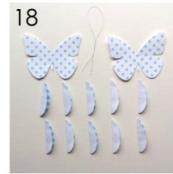

Stick the egg shapes to each side of the head shape to finish your decoration.

To make the chick decoration follow steps 2- 15.

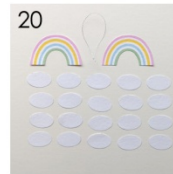

To make the green Easter egg decoration follow steps 2- 15.

To make the butterfly decoration follow steps 2- 15.

To make the purple Easter egg decoration follow steps 2- 15.

To make the rainbow decoration, cut out all the shapes.

Fold each egg shape in half. You should have twenty folded shapes in total. Glue each set of five.

Glue the two rainbow shapes together with the thread for hanging in between.

Add glue to the back of the four egg shapes.

Stick the egg shapes to each side of the rainbow shape to finish.
