

### **What you need:**

- Your Epson printer
- Good quality paper or card
- Glue, photo corners or double-sided photo mounts
- Scissors (optional)

### **Instructions:**

1. Make sure your printer's properties are set to high quality, colour and landscape printing
2. Print and cut out the frame (if required)
3. Glue or stick your favourite photo into the space indicated
4. Delight friends, colleagues or family with a personal gift or thank you

(Don't forget: your Epson printer is perfect for printing photos)
